

City Sells Its Bonds at \$350 Premium

Three Bids Offered for \$150,000 Sewer and Streets Issue with Cincinnati House's Accepted by Council and Citizens' Committee

On their bid of par, accrued interest to date of delivery and \$350 premium, the firm of Weil, Roth & Company, of Cincinnati, was awarded the \$150,000 sewer and street bonds of the city of Richmond at the meeting of the City Council Thursday night.

This bid was considered the best of three which were offered, the others being submitted by the National City Company of New York, and the State Bank and Trust Company of Richmond.

Representatives of other bond houses were here, and apparently for the purpose of endeavoring to secure the bonds at their own figures, spread false reports that the bonds were invalid. A careful study of decisions of the Court of Appeals satisfied everyone that they are valid, and the sale to the purchasers is considered a good one. The bid of the National City Company was for par and accrued interest and payment by the city of \$71.50 as attorney's fees and expenses to the bond concern. The State Bank's bid was at par and accrued interest, the city to pay expenses of furnishing and printing the bonds and court decisions as to evidence of legality. This strong local financial institution was heartily congratulated upon offering its bid, and it undoubtedly caused others to "boost" their figures.

When the bond question was taken up at the conclusion of the regular business of the City Council, Mayor Evans invited the Council to go into executive session with the special Citizens' Committee, which is to have joint supervision of the expenditure of the funds for sewer and street work. Mr. R. E. Turley, cashier of the State Bank and Trust Company, and a member of the Citizens' Committee declined to meet with the body as he represented one of the contending bidders. The others who went into session with the Council to consider the bids were Messrs. T. K. Hamilton, R. R. Burnam, J. H. Dean, R. J. McKee, together with Attorney J. J. Greenleaf, who has done much valuable legal work on the bond issue, City Attorney J. P. Chenault, and City Clerk Blanton. Following their conference in executive session, the City Council voted unanimously to accept the bid of Messrs. Weil, Roth and Co. and the city thus took one more step forward toward the improvements which are destined to make it one of the finest little cities in the world.

Due to the erroneous reports which had been spread apparently for the purpose of scaring off bidders, Judge Greenleaf made a statement of the careful investigations of court decisions which had been made in order to insure validity of the bonds.

In response to inquiries from Hon. W. B. Smith, the Mayor stated that the only indebtedness the city now has is \$14,000 in school bonds, not due and a floating debt of \$3,100 still owing on the fire truck but not yet due.

In order to correct any misunderstanding or ambiguity in the original bond ordinance, the Council adopted an ordinance by Councilman Terrill, providing that interest shall be paid semi-annually. Mayor Evans explained that this was the invariable custom with issue of bonds.

After this City Clerk Blanton opened the bids and they were carefully considered and the one that the Council and Citizens' Committee adjudged the highest and best bid was accepted.

That there is much interest in the splendid improvements which are insured for early completion in Richmond was evidenced by the large number of prominent citizens who were present when the City Fathers were called to order by the Mayor.

Councilman Terrill was the only absentee when Mayor Evans called the council to order. He came in soon afterward.

Dr. Telford, of the First Presbyterian Church, asked the divine blessing on the deliberations of the body.

After reading of the minutes of the previous session, Mayor Evans called for the reports of the month of February which were as follows:

THE WEATHER
Cloudy tonight and Saturday; probably rain Saturday; somewhat warmer.

Can't Supply Demand For Pheasants

Mr. J. Colby Taylor, the pheasant fancier and expert, is wholly unable to supply the demand for his pretty and useful game birds. He does not advertise in any poultry magazines or papers, yet fanciers all over the world seem to know about him and the various varieties that he keeps. Last week he shipped three birds to Saltillo, Mexico, and this week had the price of three wired him from San Francisco. Some of his varieties are very rare and sell at big figures.

Robins Says Keep Hands Off In Russian Affairs

(By Associated Press)
Washington, March 7.—Intervention in Russia is unfair to the Russians and unwise from the standpoint of the allies and the United States, Raymond Robins, former head of the American Red Cross in Russia told the Senate committee investigating propaganda today. He said American soldiers and munitions should not be used to crush the revolution which he declared represented the wishes of the Russian people.

HOLLAND QUILTS THE FORCE

Dick Holland, who did some fine work as a member of the Richmond police force, tendered his resignation to the City Council last night. Mr. Holland will go back to his old trade as a carpenter, at which he is said to be exceptionally proficient, and his many friends wish him the best of luck. Jas. Turner takes his place on the force, and will undoubtedly make a good officer.

IRISH DELEGATES THREATEN WILSON

(By Associated Press)
Paris, March 7.—If the Irish question is not settled by the peace conference, friends of Ireland will stop the ratification of the League of Nations, John O'Kelly, delegate of the provisional Irish republic, to the peace conference, declared today. He expressed doubt that a League of Nations will be formed and said the Irish "have spoken gently to President Wilson long enough."

SPARTACANS HOLD BERLIN POLICE HEADQUARTERS

(By Associated Press)
Copenhagen, March 7.—Berlin police headquarters, besieged by Spartacans for two days, was cut off from all communication with the other government forces there Thursday. Eight persons were killed and a number wounded in the fighting. Spartacans used machine guns and artillery, damaging the station buildings.

Why Colds Are Dangerous.

You are often told to "beware of a cold," but why? We will tell you: Every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases. People who contract pneumonia first take cold. The longer the cold hangs on, the greater the danger, especially from the germ diseases, as a cold prepares the system for the reception and development of the germs of consumption, diphtheria, scarlet fever and whooping cough. The quicker you get rid of your cold, the less the danger of contracting one of these diseases. Chamberlain's Cough Remedy has a great reputation as a cure for colds and can be depended upon. It is pleasant to take.

Three Big Men of Peace Conference Discuss Military, Naval and Economic Question At Length

(By Associated Press)
Paris, March 7.—Experts connected with the peace conference are said to be unable to agree on military, naval and economic questions connected with the preliminary peace terms for Germany. Lloyd-George, Clemenceau, and Col. House conferred for an hour on the subject before the meeting of the Supreme Council.

CAN'T AGREE WITH HUNS ON SHIPPING QUESTION

London, March 7.—Bulletin—Negotiations at Spa relating to the shipping question were temporarily broken off, according to a German wireless received here today. The allies, the message says, demanded all remaining German merchant ships be handed over unconditionally, without being willing to undertake an obligation to supply Germany with foodstuffs. The German delegates, it added, received instructions from their government that the question of shipping, finance, and food supply must be dealt with as a whole. The German message continues that the question of handing over the mercantile fleet can only arise if adequate food supplies, say two and a half million tons, are assured Germany until the next harvest. The entente would not agree. As the instruction to both sides did not go beyond this, the French delegates proposed negotiations be broken off, whereupon the two special delegations left Spa.

POPULAR BRYANT WASHBURN

Bryant Washburn, one of the most popular and talented screen actors in the country, will be seen in his second Paramount starring vehicle, "The Way of a Man with a Maid," at the local theatres Saturday. This photoplay is a picturization of Ida M. Evans' superb story, which was published in the Saturday Evening Post some months ago and deals with a young clerk who has had a hard time trying to get along on his salary of \$21 a week and compete with a millionaire rival in the love of a pretty stenographer. How he wins out in the end is charmingly told. There is much wholesome comedy in this entertaining picture. Mr. Washburn is supported by beautiful Wanda Hawley and other excellent screen players.

Pearl White will also be seen in the "Lightning Raiders." Tonight (Friday) Madge Kennedy in "Day Dreams." Also Billy Parsons in a good comedy at the Alhambra.

SECOND display of millinery will be held on Saturday, March 15th. It RICHMOND MILLINERY CO.

Increased Postal Receipts Forecast Prosperity

(By Associated Press)
Washington, March 7.—Postmaster General Burleson today declared the increased postal revenues to be one of the most accurate barometers of present business conditions, forecast a period of pronounced industrial prosperity, notwithstanding "a year of business depression in some quarters." He said January and February revenues greatly exceeded the average annual increase during the last 30 years.

Waco Deposit Bank Receives Letter of Congratulation From Cleveland Federal Reserve Bank

The Waco Deposit Bank has just received a congratulatory letter from the Federal Reserve Bank of Cleveland, upon the splendid showing it has made in the purchase of government certificates of indebtedness. Naturally its President, Mr. C. L. Searcy and its efficient cashier, Mr. O. T. Rucker, are highly appreciative of the letter they have received from the Federal Reserve Bank, and their friends and patrons are extending congratulations. The letter the Waco Deposit Bank has just received, reads as follows: Waco Deposit Bank, Waco, Kentucky. Gentlemen:—

The little booklet, "Record of Subscriptions," issued at Cleveland, February 25th, publishing the purchases of Certificates of Indebtedness by the respective banks, shows that your bank has purchased 250 per cent of its quota. This places you in the lead of all banks in Madison county—far in excess of the percentage of any of the Richmond banks and 41 per cent in excess of the percentage of the Berea National Bank. Please accept hearty congratulations upon this truly good showing. Very truly yours, W. L. THRELKELD, Field Representative.

Efficient Defense System.
The defense system was so efficient that 75 per cent of the raiding machines were kept out of London. And those machines that got past the barrage had great difficulty in escaping. To the terror of bursting shrapnel was added the confusion of Verey lights, some red, some blue, others green, white, yellow and orange, and these flashing lights, intermingled with the terrific din of the exploding shell, so confused aviators that they lost all sense of direction and space and many of their machines got out of control, becoming an easy prey. In such cases British birdmen would approach, firing on the enemy machine, anti-aircraft guns would halt, and the hostile plane would be brought down by a burst from the British plane. But often there were fierce duels, marked by spitfire from the machine guns of the contending flyers.

The course which the raiders took was traced out, minute by minute, by the "stethoscope" operators, and directions given to searchlight crews, anti-aircraft gunners and flashed to airbases by aerial defense headquarters, which conducted the battle much in the same way as a general in the field.

Scarcely a Gotha got through the outer London barrage unscathed. The faint hearts who couldn't penetrate the barrage often turned back, only to find they were outnumbered four to one by faster British machines.

Normal Notes

The following is a letter which should have been in yesterday's paper by consent of Bernard I. Perry, an ex-student of Eastern and graduate of class of '17:

Supply Co., 1st Pio. Inf. A. E. F.
January 30, 1919.

Dear Mr. Coates:—

Tonight after nearly seven months in Europe, I am located in Festung (fort) Ehrenbreitstein, Germany.

After leaving the states July 9th, 1918, on the transport Mt. Vernon, we crossed the Atlantic in a convoy of five transports and guarded by all sorts of gun boats, submarine chasers, etc., we landed at Brest, France, on July 19. We were sent to a rest camp. They called it a rest camp but it was nothing but a field without grass on it, and it had been raining every day for a couple of weeks. We were put in our shelter tents (pup tents). We rested for about five days and started on our way to the fighting zone. We marched to the railroad and were assigned our Pullman cars. But they were sidetracked Pullmans and the side was a sign:—

Hormes—40.

Cherbourg—8.

We got on and waited for our corned beef and hard bread. Each man had five days rations. We knew not where we were going or what we were going to do when we got there. As it happened after two days and one night's ride we rolled into a station and the order came "Everybody outside full equipment." After getting out we discovered the station house had no tin on it, and after making some inquiries we found it had gotten too friendly with one of the Hun's tanks. This place was LaFerte on the Marne river. Our officers had made a mistake and we had to march about six miles. I think it was sixteen. When we got to our camp—which was another field—we could see the flashes of the cannon and hear their reports. From here we entered the Chateau Thierry drive and went with it as far as Fismes on the Vesle river. I was on the battle fields around Fere-Francois, Roucheres and Fismes. I was near where Quentin Roosevelt fell but did not have an opportunity to go to the very spot. Some of the boys in the company have parts of his machine as souvenirs.

From this front we were sent to the front west of Verdun, at Blercourt. September 25th, the day before the big drive started on this front, we pulled into Fromerville. From here we went with the drive through Vigeville, Ennos, Cousy, Cunel. The day the armistice went into effect we moved to Dun-sur-Meuse.

The regiment mobilized at Murvaux and we started on our hike to the Rhine. The trip was about 195 miles. We made it by wagon train while the regiment marched. At night we billeted in the homes, school houses, barns, etc. We passed in about 500 yards of where Belgium, Luxembourg and France come together. I had the opportunity of going back into Belgium a few times. The place where we are now after crossing the Rhine is located on a 384 foot hill overlooking the city of Coblenz, and the junction of the Rhine and Moselle rivers.

I cannot tell you what I have seen for words will not express it. I did not see very much action on the firing line for the Supply Company stays in the rear but we would sneak up at night with supplies and sometimes we ran into some pretty warm places. We are very comfortably located in German barracks with German beds and blankets. The Germans treat us very nice. They seem to have had enough of Kaiser Will and the war. I learned enough German at Eastern to be able to say almost anything I want to, and can understand almost everything that is said to me.

We have plenty of entertainment. We have a Y. M. C. A. theatre in the regiment, all sorts of basket ball, volley ball, base ball and foot ball. The Y. M. C. A. has a canteen and the K. of C. has a reading room. With all of it, I long for the day when we start on our journey to the U. S.

I don't know that I have addressed you correctly, but you will have pardon me for I have been too busy to keep in touch with the school. At present I am a Supply Sergeant. I am what used to be called a battalion supply sergeant, but now such a man holds the rank of Supply Sergeant. I enjoy the work as well as I could any place in the army, but I am not an Army Man.

Wishing you success, I am very truly yours, BERNARD I. PERRY.

Relieve Your Indigestion With A Laxative

Dyspeptics know that indigestion is accompanied by constipation, and that until the bowels can be regulated so they will act freely and naturally every day at a stated time, swallowing dyspepsia tablets is of little use.

A great and growing number of sufferers from this trouble find immediate and then permanent relief by the use of a combination of simple laxative herbs with pepsin sold by druggists, under the name of Dr. Caldwell's Syrup Pepsin. The laxative herbs act on the bowels and the pepsin and extracts on the digestive tract, forming an exceptionally effective laxative- tonic.

It is a combination that has been found wonderfully helpful in indigestion, constipation, biliousness, headaches, bad breath, belching and gas on the stomach. A small dose is all that is required.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—50c and \$1.00.

FREE SAMPLES—If you have never used Dr. Caldwell's Syrup Pepsin send for a free trial bottle to Dr. W. B. Caldwell, 468 Washington St., Monticello, Ill. If there are babies at home, ask for a copy of Dr. Caldwell's book, "The Care of Baby."

ROAD TAX ELECTION

Notice is hereby given that the undersigned, Sheriff of Madison county, Kentucky, will on

SATURDAY, MARCH 23, 1919 between the hours of six a. m., and four p. m., open a poll in all the voting precincts of Madison county, Ky., to ascertain the sense of the voters of

Madison county, Ky., as to voting a tax of twenty (20) cents on the hundred dollars of all property subject by law to local taxation, for the improvement or construction, of the public roads and bridges of the county, either or both, each year for a period of ten years. The question to be submitted to the people shall be:—

"Are you for a property tax of 20 cents on each one hundred dol-

lars worth of property in this county, to be levied each year for ten years, for the purpose of improving or constructing, or both, the roads and bridges of the county?"

All in favor thereof will vote YES, all opposed thereto will vote NO.

Presbyterians to Raise Forty Million Dollar Fund for Local, National and Overseas Work.

Proclamation

FELLOW-PRESBYTERIANS:

A momentous hour has struck. The shadow on the dial marks a time of destiny for individuals, institutions and nations.

We must re-establish our altars as Abraham of old, and keep perpetually burning thereon the incense of a robust faith.

We must enter into all life and weave into its filament and fiber mercy and justice. Literature must chasten; commerce, convert; politics, save; labor and capital, wed in the service of the common brotherhood; art, purify; society, democratize and sweeten; and religion, reveal as man's supreme asset.

At a time when empires are crumbling, and the wild wrath of wronged peoples flames forth against law and order, is it not our duty to make the Church's ministers serve humanity? Shall we not get under the Church's burdens, behind its tasks and into the midst of its struggles for the healing of the nations? Shall we bear the mark of Cain because our indifference has slain multitudes? Shall we live for ourselves and think for ourselves when heroes and martyrs have died for us?

In this hour of the recovery, reconstruction and regeneration of the world every Presbyterian should enlist in the New Era Crusade, invest generously in its great program and enter expectantly and resolutely into its Easter harvest season.

A God and Father inexhaustible in resources, a Divine Christ calling us to follow in His steps and a blessed Spirit for guidance and power, make the whole program attainable.

If we are true to our trust we shall have a revived Church, a restored faith in its mission, an ingathering to the joy of men and angels.

A past, heroic; a present, with a mighty imperative; and a future, whose prophetic beams already announce the coronation of the spirit of service and sacrifice, inspiring hope.

Let every Presbyterian sound forth the slogan "Over the Top to Victory and the Joy of an Immortal Achievement."

In the year of our Lord Nineteen Hundred and Nineteen.

Moderator's Proclamation Read in Every Presbyterian Church in this country on Sunday, March 2, and Displayed on Posters, Opening the Drive for Funds.

PROGRAMS prepared before the war are as useless as a last year's bird's nest—and this applies to the work of the Church just as much as it does to any other kind of an organization which deals with human relationships.

The New Era Movement of the Presbyterian Church was organized to study the conditions which have come out of the war and then to set up an adequate program that will frankly face the facts.

The financial "drive" is being organized by business men who were among the most successful workers in Liberty Loan, Red Cross, War Savings Stamp, Y. M. C. A. and the other war time "drives."

Leading preachers all over the country are leaving their important churches for the sixty day period of the Campaign, becoming responsible for certain areas, seeing to it that these are thoroughly organized for the final rally.

Among the objects for which the

forty million dollars are to be spent are the following:

Half a million dollars for use among returning soldiers and sailors, to whom assistance is also to be given in finding jobs and in getting a new start in life.

Half a million dollars for reconstruction work in building Protestant churches in Europe devastated by the war.

Four million dollars for work overseas, where last year Presbyterians conducted 175 hospitals and dispensaries, in which 700,000 patients were treated and where educational institutions and religious services were maintained, which were attended by many millions of natives.

Eighty thousand dollars will be used for temperance and prohibition work, especially in foreign lands, in which American brewers and distillers are to begin operations as soon as their plants are closed down in this country.

Nearly a million dollars will be spent for disabled preachers, and

another million will be used to increase preachers' salaries.

About three millions are needed for special work in American cities and among immigrant populations and lumberjacks and for work among Indians, Mexicans and other depressed peoples, and for relief work in the sparsely settled sections of the country.

Presbyterian women are to raise nearly two million dollars for educational and social work in this country.

Half a million will be used for building new Presbyterian churches and another half million for educational and religious work among negroes.

Nearly a million is to be spent for general religious education and theological training, half a million for Sunday School work and religious literature and about one hundred thousand for special men's work and general evangelism.

Twenty-five million dollars will be spent by the local Presbyterian churches for their general community work.

MARCH WINDS HERE

AND SO IS THE

BIG MARCH SPECIAL

in the following lines ushered in this month for your inspection and approval. It is the custom of furniture dealers all over the country to hold sales during the month of March. We have decided to vary this long sale custom, and you'll find nothing but SPECIALS offered on some certain article each day for the entire month of March.

Plans for our Big Specials

Watch the Daily Register closely for the special which will be advertised for the following day. The day you fail to read our Special Adv. might be the day when we place a special price on some article which you need and have been considering buying.

Today we are going to attempt to show you, that in spite of the advance in the prices of materials, the advances that are being made in the retail prices of most lines, we are still selling high grade Furniture at reasonable prices.

Would You WALK A FEW STEPS FOR \$5?

Most of us would and very willingly. And Muncy is paying as much as \$5 and oftentimes more to many shoppers in quest of good Furniture, who hit the "Thirty-Seven Steps Trail." For you actually save money in home furnishings at Muncy Brothers'.

The quality is not only here but the price is lower. All this is possible through Muncy Brothers' location, near the corner of Third and Main. You can pay yourself handsomely for every one of the "thirty-seven steps" you take to Muncy's store.

Special Saturday, March 8th

We handle the Wilson Hair Mattresses—one that is sanitary, rest good, pure hair, and one that makes you feel like you've had a good night's rest when you awake in the morning. We also carry a complete line of Felt Mattresses which are lower in price. Look at these prices—

WILSON HAIR MATTRESSES
Full Size \$22.50, \$25.00 and \$27.50
BULLERDICK FELT MATTRESSES
\$10.00, \$12.00, \$15.00, \$18.00, \$20.00

This is an actual saving of 15 per cent on these lines.

WILSON'S
"RESTGOOD"
SANITARY CURLED HAIR MATTRESS

WILSON'S "Restgood" Sanitary Curled Hair Mattress is not a high-priced mattress, but it is the mattress that will satisfy you every day through the rest of your life. It weighs forty pounds; all new, sanitary curled hair is used in filling the cover, which is of the best material, either in stripes or art ticking.

Call today and let us show you the "Restgood." Let us show you why it is better than ordinary mattresses, and why it is the mattress that you should have in your home. The "Restgood" is manufactured and guaranteed by Wilson & Co., Chicago.

Just compare the qualities and prices of others.

Special Monday, March 10th

We are going to offer as our second Special during this month, an unusual bargain in RUGS and FLOOR COVERINGS.

Special Tuesday, March 11th

Was there ever a more appropriate time to do away with those old worn and cracked window shades and place at those windows in your home a beautiful shade in most any color so as to harmonize with the rooms which you are trying so hard to make attractive during the spring cleaning? We want you to come to our store Tuesday and make a selection and at same time save at least 20 per cent. Note the following quotations:

BRENLIN'S FAMOUS LINE WINDOW SHADES
(For Tuesday Only)

55c, 65c, 75c, \$1.00, \$1.25

Remember after this day the price goes back to normal and your opportunity is lost.

"My window shades always look nice."

Go to your windows now and examine your shades.

See if they are specked with those tiny holes and little ragged cracks that do so much to mar the looks of your windows. In shades made of

Brenlin
the long wearing window shade material.

you will find the great fault of the ordinary shade overcome. It is made of a closely woven cloth without that filling of chalk which in the ordinary shade so soon cracks and falls out in unsightly streaks and pinholes. Sun won't fade it—nor water spot it. Made in many rich, lustreless tones and in Brenlin Duplex—one color on one side, a different one on the other. Come see it.

Spend your money in your Home Town

Thousands of dollars are sent away every year to catalog houses for furniture by the people of Richmond, Madison and surrounding counties. In order that this immense sum may be kept at home and put into circulation where it belongs, we have provided special inducements for those who desire to purchase furniture goods. Ample Delivery Equipment for placing furniture in the homes of every one living within a radius of twenty miles of Richmond.

This auto delivery service is without a penny's additional cost to you. Mail Order Houses do not even prepay freight, much less pay the drayage to your home. Furthermore, shipments are very nearly impossible this year. An order placed now probably will not reach you for three months. Goods may arrive in a broken condition—broken furniture is worthless. Sometimes furniture ordered from a catalog does not look like the picture when placed in the homes.

During the past year we have never experienced any difficulty in competing with the Mail Order prices, especially when quality is taken into consideration. Bring your catalog with you for comparison. Better buy where you can see what you are getting and have it delivered in your home the same day you make the purchase. Let's make Richmond and Madison county one of the biggest, best and most unselfish county in the state. We place back into circulation right here the money you spend with us. Can the Mail Order House say as much?

We desire to thank the people for their liberal co-operation since we have moved into their midst, and we hope to continue in a manner that will rightly deserve the confidence you have placed in us.

Yours for a saving on each Dollar

Mrs. H. B. Hanger has as her guest this week, Mrs. Henry Bosworth, of Lexington, in whose honor she entertained very informally at dinner Wednesday.

CATARRH VANISHES

Here Is One Treatment That All Sufferers Can Rely Upon.

If you want to drive catarrh and all its disgusting symptoms out of your system in the shortest possible time, go to your druggist and ask for a Hyomei outfit today.

Breathe Hyomei and let it rid you of catarrh; it gives such quick relief that all who use it for the first time are astonished.

Hyomei is a pure pleasant antiseptic, which is breathed into the lungs over the inflamed membrane; it soothes the sore spots and heals all inflammation.

Don't suffer another day with catarrh; the disease is dangerous and often ends in consumption. Start the Hyomei treatment today. No stomach dosing, no sprays or douches; just breathe it—that's all. Ask B. L. Middleton. No. 22.

Has Had Stomach Trouble For Seven Years.

Theo. Sanford, of Fenmore, Mich., has had stomach trouble for seven years and could not eat vegetables or fruit without pain in the stomach and restless nights. By taking Chamberlain's Tablets he is now able to eat vegetables or fruit without causing pain or sleeplessness. If troubled with indigestion or constipation give these tablets a trial. They are certain to prove beneficial.

Mrs. J. S. Collins has returned from a two months stay with her son Lieut. Commander Marshall Collins and Mrs. Collins. She was joined there by her son William Collins of the U. S. S. Grant.

Mrs. B. F. Gabby is a patient at the Norton Infirmary, Louisville, where she submitted to an operation for gall stones. Friends will be glad to hear the operation was a success and hope she will soon be restored to her former good health.

Mr. and Mrs. James H. Allman received a message Thursday from their son, Clark Allman, stating that he had been mustered out of the service at Camp Custer, Mich., and has accepted a lucrative position with a prominent drug firm in Mondulac, Wisconsin. Clark has a host of friends in Richmond, who will be interested to hear good news from him.

The Best Laxative

"My sedentary habits have necessitated the use of an occasional laxative. I have tried many but found nothing better than Chamberlain's Tablets," writes George F. Daniels, of Hardwick, Vt. Mr. Daniels is proprietor of the Hardwick Inn, one of the model hotels of New England. mar

Newby.

Mrs. Nat Whitaker and children spent Monday with Mrs. G. W. West. Miss Quillen spent the week-end with her parents, Mr. and Mrs. C. A. Quillen at Heidelberg.

Miss Geneva Haden entertained a few of her girl friends Wednesday night. The fortunate ones were Misses Ruth Turner, Florence Whitaker, Bernice Tudor, Eula Baker and Bernice Bogie.

Mr. Rice Tillett, who has been ill for several weeks is reported better. Dr. and Mrs. Hunter have rented rooms from Mrs. Abner Long.

Mr. Haman Newby and family and Mrs. Fairy Long and children spent Sunday with Mr. Lawrence Tudor and family.

Mr. Charlie Jenkins is quite ill. Misses Hattie and Florence Whitaker spent the week-end with Misses Rosa and Ruth Turner.

Mr. and Mrs. Talbot Jenkins, of Buckeye, spent the week-end with his parents, Mr. and Mrs. Wm. Jenkins.

If all reports be true, Mr. Jerry Parrish and Mr. Luther Jenkins will be airing themselves behind wind shields this summer.

Quite a number of boys and girls spent a sticky time at the home of Miss Bentley Williams Wednesday evening, pulling taffy.

We are planning to have an oyster supper at the school house on Monday night, March 10th, for the purpose of raising enough money to finish paying for our piano.

Here, There, Everywhere

Arrangements have been made through Prof. Taylor, of Berea College, in securing Rev. Raymond, of Brooklyn, N. Y., to fill the pulpit at the first Presbyterian church Sunday morning in the absence of Rev. Telford.

On the 76 acre Jim Whisman lease purchased by the Victory Oil Company from R. A. Childs, they expect to start operations at once. There are three offset wells to put down on this property.

In Menifee county the third well on the Alexander farm belonging to W. O. Back and associates has come in and looks to be good for 12 barrels. The Wood Oil Company's initial test on the James Ledford is showing up for a nice well. The Menifee Drilling Company operating for California parties on the Yale Lumber Company's 3,000 acre lease is now due in.

Here's the big work, little cost tractor—the Titan

THE Titan 10-20 has been on the market for years, and has made good without reservation. 10 horsepower at the draw bar—20 horsepower at the belt.

A well-balanced tractor that is suited to all farm power work. It drives easily, affords maximum pulling power for its weight, and is suited in every way to the general run of farm work. Not too large for the small farm, yet large enough to handle a great volume of work.

Use it with an Oliver Plow

We recommend that you use an Oliver plow with your Titan tractor because it means the best plowing under all conditions. The combined rolling coulter and jointer buries all trash and weeds at the bottom of the furrow; the stop device maintains an even depth of furrow; the plow points enter and leave the ground first, making it possible to plow clear to the ends of the field; and the trip rope control operates easily from the driver's seat on the tractor.

We have a full line of Oliver plows as well as the Titan tractor here at our salesroom.

VICTORY LOAN WILL BE SOLD TO PUBLIC JUST AS OTHER ISSUES WERE

RUMORS THAT BANKS WERE TO BE CALLED ON TO TAKE FIFTH LOAN CORRECTED BY SECRETARY GLASS.

RUMORS and unauthorized statements which have been spread abroad over the country to the effect that there was to be no Fifth Liberty Loan have been brought to the attention of Secretary of the Treasury, Glass. The secretary reiterates his statements—

That there will be a Fifth Liberty Loan;

That it will be a popular one—sold to the people;

That there is no idea on the part of the government to sell the bonds to the banks;

That the Fifth Liberty Loan will be floated this Spring, undoubtedly beginning in the latter part of April.

The financial heads of the government are perfecting the plans for an issue that will meet the requirements of the time and the Central Liberty Loan committee of the Fourth Federal Reserve district at Cleveland is well along in the task of laying a foundation for a campaign which will outdo in intensity any of the four preceding campaigns.

Stories emanating from Washington and discussing the preliminary plans of legislators may have a tendency to befog the reader. It must be remembered that these stories are speculation, merely reflecting the mind-workings of the men who will ultimately have to narrow down to some one procedure. Enough has already been definitely settled to permit the secretary of the treasury to make the statements above and to emphasize them.

To further emphasize the fact that there will be a Fifth Victory loan and to correct the impression which has erroneously been circulated that the banks would have to take the loan, Governor E. R. Fancher of the Federal Reserve Bank of Cleveland recently sent word to all of the Liberty Loan workers in the district calling upon them to correct these false impressions.

Down and Out—But His Tongue Still Wags

THE HUN is still able to whisper.

One of his favorite subjects is Liberty Bonds.

The bonds are absolutely the best secured in the world so he dare not attack them openly.

He whispers to you to sell them, hoping to demoralize the market.

And he has about as much chance of doing this as he had of winning the war. It is characteristic Hun stupidity.

Every time you are approached to sell your Liberty Bond or to trade it for stock in some unknown and unestablished project, remember it is the voice of the Hun speaking.

Then take another grip on your Liberty Bonds and hold tight. Keep those you have and be ready to buy more when the Victory Liberty Loan is offered for sale in April.

A Miser, A Woman And Two Stars—

A miser, born in a land afar, Who'd gained a fortune over here, Where Liberty is the guiding star.

Looked up from his gold with a bitter leer.

"I got it by pinching and going without."

They call me greedy, I am," said he.

"The Nation's call to lend I float.

For bonds they'll get no gold from me."

A woman gazed on a star of gold. She'd given all she had to give, And sacrificed to lend, 'twas told.

That Liberty and Land might live.

"And I'll lend again and again," she said.

"To help to remedy war's ills,

"And to keep true faith with our hero dead.

By helping pay our war-time bills."

Liberty Loan Levity

Just a half-wit, they called Barber Blaney.

Barber knew, though, some day would be rainy.

So he shaved and he shaved—

And he saved and he saved—

And bought bonds—Now they call Blaney brainy.

Unknown Soldier Boy Writes His Appreciation

Mrs. G. W. Ginter, of College Hill, has received a splendid letter from an unknown soldier boy, expressing his appreciation for a pair of socks he received from the Red Cross, in the College Hill section. It reads as follows:

Le Mans, France, Feb. 3, 1919.

Mrs. G. W. Ginter, College Hill, Ky.

My Dear Madam—You will perhaps be surprised to receive a letter from an unknown soldier lad with the A. E. F., but please don't feel offended as must take this opportunity to inform you that a pair of your well knitted socks are now "on active service" with the A. E. F. keeping my feet warm in the slush and mud of France in my No. 9 hip boots. I might say also that it takes "beaucoup" socks to keep our feet covered as we wear out a pair nearly every week.

We are now having what the French people call winter over here. The ground has been slightly frozen for about a week and a sprinkling of snow has fallen, altho that is all for now. From December 11th up to 1 time we had the freeze, there has been only two or three days that it has not rained, during some time of each day, so you can imagine the boots are an acceptable part of our equipment as well as the extra socks, sweaters, etc., that we receive from the Red Cross organization.

Thanking you very much for your gift thru the Red Cross, I beg to be

Sincerely yours,

"ONE OF UNCLE SAM'S BOYS."

After-The-War Problems Affect Telephone Service

WHILE the nation was under the stress incident to winning the war, we asked our subscribers and the public to be patient with the telephone service and to limit its use as much as practicable in order that we might handle the urgent business of the nation efficiently.

Now that the armistice has been signed and hostilities have ceased, we are confronted with problems of the reconstruction period, which are equally as serious and which will require time and patience for solution.

The policy of frankness which we have practiced prompts us to make it clear that the difficulties under which we are now operating are such that it will be many months before we can bring our service back to the standard of efficiency prevailing prior to the European war.

The abnormal increase in the volume of telephone calls due to war activities created a need for a greater number of operators and we have been diligently building up an enlarged operating force. When this situation was very well in hand last fall the influenza epidemic played havoc with our forces and our losses from illness and death are still alarming. As a result of this combination of circumstances, the percentage of new and inexperienced operators is large and there is now a serious shortage although our training schools are graduating large classes every month.

Although our service has suffered from these causes the public has been considerate and we have been able to handle a heavier traffic than seemed humanly possible and have installed promptly and operated efficiently the telephone plants required by the government at army camps and other similar institutions.

The situation confronting our service is more serious now than it was when fighting was in progress. The public has relaxed from its tension and is inclined to expect our service to at once assume its pre-war efficiency. We deem it our duty to make this frank statement and urge you to continue the conservation of the service which proved so helpful during the time of our nation's greatest need.

We are operating the telephone system as agents for the federal government under the supervision of the Postmaster General, and our loyal organization is making a patriotic effort to perfect the service. Your continued co-operation and encouragement will be appreciated.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after-effects. They don't injure the teeth like calomel, and they don't irritate the bowels. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

Time Brings Happiness With The Dawn

The Coming of Baby Marks the Advent of a Glorious Future.

Scientists say great stress should be laid upon the remarkable influence which the mother's happy pre-natal disposition has upon the health and future of the generations to come.

There is a splendid preparation women for over half a century have applied before the birth of their child, known as Mother's Friend. This is a most grateful, penetrating remedy that at once softens and soothes the myriad of tired, fat abdominal muscles under the skin of the abdomen. By its regular use during the period the nerves, tendons and cords are relaxed and there is an absence of nausea, bearing-down pains, strain and general discomfort more often than otherwise experienced when nature is unaided.

By the use of Mother's Friend night and morning the muscles relax with ease when baby comes, the time at the crisis is shorter and pain and danger is naturally avoided. Write the Bradfield Regulator Company, Dept. E, Lamar Building, Atlanta, Georgia, for their Mother's Friend Book, and obtain a bottle of Mother's Friend from the druggist, by all means, and get into condition to meet the crisis.

PRICE FOR PASTURAGE

Stockmen in Kansas Pay \$16 a Head for Choice Grazing Land in That State.

Eldorado, Kan.—With stockmen beginning to compete for pasture here, the record price of \$16 a head has been paid by J. H. Liggett of Rozalla for choice grazing land. The general price is from \$10 to \$15 per head. Much of the eastern part of Butler county land is under contract for the next season. Not many cattle are being wintered here, but many high-grade beef cattle will be brought from the Texas Panhandle next spring, cattle men say.

HAPPILY REUNITED

Parted when the grim god of war crowned over France, Pollu went to join his colors; Sweetheart bade him Godspeed and bided her time awaiting his return. But the ravaging hordes of kaiserism, steadily advancing, threatened the honor of the womanhood of France and the girl fled to Holland to friends, where she was free from molestation. The war is over, kaiserism is no more. Pollu crosses the Dutch border and meets his sweetheart, who watched and waited while he fought.

Pinkham's Vegetable Compound and the Blood Medicine with good results. She is much better and teaching now and I give your medicine the praise. You are welcome to use this letter for the benefit of other suffering women."—Mrs. E. A. GAINES, R.R. No. 1, Steele, Ala.

Women who suffer as Mrs. Gaines did should not hesitate to give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, as the evidence that is constantly being published proves beyond question that this grand old remedy has relieved much suffering among women.

CATHOLIC CALL TO RECONSTRUCT

Church Council Lays Down Lines to Guide in Solving Post-War Problems.

TO INSURE SOCIAL JUSTICE

Re-employment, Labor Reforms, Social Betterment, Economic Conditions and Relations Between Employer and Worker Subjects of Official Pronouncement.

Drawn up by the four bishops who represent the hierarchy of the Catholic Church in America in the administration of the National Catholic War Council, an official pronouncement on the social and economic reconstruction problems facing this nation has been issued from the headquarters of this church council in Washington, D. C. The document bears the signatures of Bishop Peter J. Muldoon of Rockford, Ill.; Bishop Joseph Schrembs of Toledo, O.; Bishop Patrick J. Hayes of New York City and Bishop William T. Russell of Charleston, S. C., and reads in part as follows:

Foreword.

"The ending of the Great War has brought peace. But the only safeguard of peace is social justice and a contented people. The deep unrest so emphatically and so widely voiced throughout the world is the most serious menace to the future peace of every nation and of the entire world. Great problems face us. They cannot be put aside; they must be met and solved with justice to all.

"In the hope of stating the lines that will best guide us in their right solution the following pronouncement is issued by the Administrative Committee of the National Catholic War Council.

Replacement of Men in Service.

"The first problem in the process of reconstruction is the industrial replacement of the discharged soldiers and sailors. The majority of these will undoubtedly return to their previous occupations. However, a very large number of them will either find their previous places closed to them or will be eager to consider the possibility of more attractive employments. The most important single measure for meeting this situation that has yet been suggested is the placement of such men on farms. Several months ago Secretary Lane recommended to Congress that returning soldiers and sailors should be given the opportunity to work at good wages upon some part of the millions upon millions of acres of arid, swamp and cut-over timber lands in order to prepare them for cultivation. President Wilson, in his annual address to Congress, endorsed the proposal. As fast as this preliminary task has been performed the men should be assisted by government loans to establish themselves as farmers, either as owners or as tenants having long-time leases.

Farm Colonies.

"It is essential that both the work of preparation and the subsequent settlement of the land should be effected by groups or colonies, not by men living independently of one another and in depressing isolation.

"A plan of this sort is already in operation in England. The importance of the project as an item of any social reform program is obvious. It would afford employment to thousands upon thousands, would greatly increase the number of farm owners and independent farmers and would tend to lower the cost of living by increasing the amount of agricultural products. If it is to assume any considerable proportions it must be carried out by the governments of the United States and of the several States. Should it be undertaken by these authorities and operated on a systematic and generous scale it would easily become one of the most beneficial reform measures that has ever been attempted.

Employment Service.

"The reinstatement of the soldiers and sailors in urban industries will no doubt be facilitated by the United States Employment Service. This agency has attained a fair degree of development and efficiency during the war. Unfortunately there is some danger that it will go out of existence or be greatly weakened at the end of the period of demobilization. It is the obvious duty of Congress to continue and strengthen this important institution. The problem of unemployment is with us always. Its solution requires the co-operation of many agencies and the use of many methods, but the primary and indispensable instrument is a national system of labor exchanges acting in harmony with State, municipal and private employment bureaus.

Weekly Health Talks

Where Most Sickness Begins and Ends

BY FRANKLIN DUANE, M. D.

It can be said broadly that most human ills begin in the stomach and end in the stomach. Good digestion means good health, and poor digestion means bad health. The minute your stomach fails to properly dispose of the food you eat, troubles begin to crop out in various forms. Indigestion and dyspepsia are the commonest forms, but thin, impure blood, headaches, backaches, pimples, blotches, dizziness, belching, coated tongue, weakness, poor appetite, sleeplessness, coughs, colds and bronchitis are almost as common. There is but one way to have good health, and that is to put and keep your stomach in good order. This is easy to do if you take Dr. Pierce's Golden Medical Discovery. It is a wonderful tonic and blood purifier, and is so safe to take, for it is made of roots and herbs. Dr. Pierce, of Buffalo, N. Y., stands behind this standard medicine, and it is good to know that so distinguished a physician is proud to have his name identified with it. When you take Golden Medical Discovery, you are getting the benefit of the experience of a doctor whose reputation goes all around the earth. Still more, you get a temperance medicine that contains not a drop of alcohol or narcotic of any kind. Long ago Dr. Pierce combined certain valuable vegetable ingredients—without the use of alcohol—so that these remedies always have been strictly temperance medicines.

If piles are torturing you, get and use Pierce's Anodyne Pile Ointment. The quick relief it gives is hard to believe until you try it. If constipated, Dr. Pierce's Pleasant Pellets should be taken while using Anodyne Pile Ointment. Few indeed are the cases which these splendid remedies will not relieve and usually overcome. They are so good that nearly every drug store has them for sale.

ARE YOU INTERESTED IN THE WELFARE OF YOUR PUBLIC UTILITIES?

Resolutions Adopted By Bangor, Maine, Chamber of Commerce.

"Whereas, The Bangor Chamber of Commerce feels that the country is facing a grave situation in regard to public utilities,

And Whereas they feel that all citizens are vitally interested in the well-being of the public utilities, and

Whereas, that on their organization and on similar organizations throughout this entire country rests a grave responsibility in this regard. Now, therefore, be it Resolved:

That the Bangor Chamber of Commerce realizes that their duty is to study the question both in the State of Maine and elsewhere, desires to make known to their members and to the citizens of this community the result of their study.

That as a result of that study, the Chamber of Commerce finds that a substantial part of the funds of the savings banks is invested in bonds of public utilities; that the depositors of Mutual Savings Banks are in reality part owners of every such investment. That the same is true of the Life Insurance Companies both as to investment and ownership. That the present and future well-being of every community is directly dependent upon the successful running and further development of the Public Utilities system in this locality. That every citizen should be anxious to understand the conditions under which such public utilities are operating, and to have a voice in their management.

EATS HEARTY MEAL OF MEAT AND POTATOES

Appetite and Strength Returns to Lexington Man Since Taking Meritone

"I eat a hearty meal of meat and potatoes and really enjoy it, since taking Meritone," said Joe Piper, of 156 East Third street, Lexington. "I had no appetite and could hardly eat anything. As a result I thus began losing my strength.

"My strength kept going down and down and I finally got so weak that it tired me out to walk any distance."

Helped by Meritone

"Finally I began taking Meritone, and am now on my fourth bottle and I can honestly say that Meritone has helped me.

"I really get hungry now and enjoy a hearty meal of meat and potatoes. My strength has rapidly returned and I feel much better in every way.

"Meritone is a good medicine and I feel that I can recommend it."

Meritone is the new tonic of real merit that many people are taking to build up a weakened and run down system. Meritone is also recommended for such disorders of the system as stomach, liver and kidney trouble, sleeplessness, or lack of appetite, or to combat catarrh or rheumatism.

Meritone is sold in Richmond by H. L. Perry and Son. 1t

COMPROMISED THE CASE.

Helm's Successor.

Newspapers over the district and elsewhere are speculating over a successor to the late Congressman Helm, and mentioning a number of possible and probable candidates. As yet the Daily Register has no choice in the matter, and is only interested in seeing that in these momentous times in the nation and world, a man is sent to Washington who can and will stand shoulder to shoulder with Woodrow Wilson in his great program. This is no time for "short horses" peanut politicians or demagogues. The democrats of the Eighth district should consider carefully and wisely. If a man of commanding ability and potential statesmanship can be found, he should be drafted into the service. Not only the Eighth district but the nation has need of him. Small-bore politicians and those of questionable standing or doubtful character or habits had best stand aside. The Eighth district must send the best man possible to Washington. At no time in the history of this nation was it more important that the voters scrutinize carefully the qualifications and possibilities of men who offer to represent them in the national congress.
